

Newfoundland & Labrador Association of
Social Workers

NLASW Strategic Plan 2014 – 2017

Vision : Excellence in Social Work

Mission: NLASW as the regulatory body and professional association for social workers in Newfoundland and Labrador is committed to improving the well-being of the public by ensuring high quality social work practice and advancing equitable health and social policy.

Regulation

Effectively and efficiently regulate the practice of social work

- To provide an efficient registration process
- To provide an objective and fair professional conduct review process
- To foster the continuing competency of social workers
- To develop practice resources to guide social work practice
- To collaborate provincially, nationally, and internationally towards excellence in professional regulation

Promotion

Promote the profession and practice of social work

- To engage social workers through effective communication
- To promote the knowledge, skills, and abilities of social workers and the diversity of social work practice
- To collaborate with other organizations to advance social work practice

Health and Social Policy

Advance health and social policy to ensure the well being of the citizens of Newfoundland and Labrador

- To enhance provincial and national social and health policy analysis through the social work perspective
- To advocate for fair and equitable access to health and social programs through a social justice framework
